About Apprenticeships and NVQs

Apprenticeships and NVQs are nationally designed training programmes for individuals who are already in employment.

They offer employees the opportunity to enhance their career through a combination of training and assessment.

Dependant on your age and job role employees will be able to enter onto:

- Retail Apprenticeship or Advanced Apprenticeship
- Retail NVQ Level 2 or Level 3
- Customer Service Apprenticeship or Advanced Apprenticeship
- Customer Service NVQ Level 2 or NVQ Level 3

Benefits of the courses:

- You will gain a nationally recognised & valued qualification
- Enhances your future career prospects
- Provides you with a sense of real achievement
- Improves your skills and knowledge
- Training is on-the-job - "NO COLLEGE"

How much does it cost?

Through Government initiatives, BAA together with Touchstone Learning & Skills, are able to deliver training in the workplace, FREE of charge to under 25 year old employees and subsidised to over 25 year olds who satisfy the following criteria:

- Work more than 16 hours a week
- Not in any form of Government funded education
- Do not hold a degree
- Are a European citizen
